Acknowledgement

We would like to extend our sincere gratitude to several individuals who played pivotal roles in the successful completion of our project **Sign Sense**

Firstly, we express our deepest appreciation to **Dr. Aruna Gawade**, whose guidance, expertise, and continuous support were instrumental in steering us in the right direction throughout this project. Your insightful feedback and encouragement significantly enhanced the quality of our work.

We are also immensely thankful to the faculty members of **Department of Artificial Intelligence and Machine Learning** at **SVKM's Dwarkadas J. Sanghvi College of Engineering** for their valuable input, which enriched our understanding and added depth to our project.

Furthermore, we want to acknowledge the exceptional efforts and contributions of each member of our group Tasmay Sawant (60017210090), Vedant Kambli (60017220096), Advika Lad (60017220097), Sahil Paleja (60017220119) - your dedication, teamwork, and diverse skills were indispensable in accomplishing the various aspects of this project. Each member's unique perspective and commitment significantly contributed to the overall success of our endeavour.

We would also like to acknowledge the understanding and support of our families and friends for their encouragement and patience during the demanding phases of this project.

Our heartfelt thanks to everyone involved for their unwavering support and commitment, which made this project a rewarding and fulfilling experience.

Sincerely,

Vedant Kambli (60017220096)

Tasmay Sawant (60017210090)

Advika Lad (60017220097)
